Special Trains to Santa Clara

We have received many inquiries regarding the special trains to the Passion Play at Santa Clara college next week and have written the manager of the play and we herewith publish his answer, which is self-explanatory:

SANTA CLARA COLLEGE, SANTA CLARA, May 9, 1907.—Editor Times-Gazette—Dear Sir: Yours of the 8th inst. at hand, and in reply will say that there will be no special train to leave the city Monday night, as that performance has been set aside for the valley; but there will be a return train after the performance, which will run through to the city and stop to let off passengers at all intermediate points.

On all other nights there will be a special both from and returning to the city, said train to leave city (Third and Townsend streets) at 6:15 p. m., except Saturday night, when it leaves at 6:45 p. m., and returning when performance is all over. A special fare round-trip rate prevails on these trains from the city, but from intermediate points the rate is one and one-third round trip. All tickets are good for regular trains on following day.

Sincerely yours,
J. DANIEL MCKAY.

Suit to Recover Lost Stock

T. E. Jewell, through his attorney Joseph J. Bullock, has commenced a suit in the Superior Court against the West Shore Salt Company to recover 1050 shares of the capital stock of the Company. Mr. Jewell alleges in his complaint that his brother, H. M. Jewell, of whose estate he is administrator, purchased the stock from the company in June 1903. He has made a diligent search for it and cannot find the certificates. He believes they are lost or destroyed. He asks that he be given judgment and that the old certificates be cancelled and that duplicate certificates be issued to him.

Sues for Balance of Contract

B. W. McEllan has commenced an action in the Superior Court against the Howard estate to secure judgment for \$370.98 and interest on same at the rate of ten per cent per month from July 26, 1906, for balance due on contract. The work was performed for the estate at Burlingame.

AFTERNOON SESSION.

The Board met at 1:30 pursuant to adjournment during the morning session. All members answered roll call.

Mrs. Alice Rine in a communication stated that she desired to build on her property on San Jose avenue in the first township but was prevented from access to her land by building which she desired removed. Referred to Supervisor Eikerkotter.

Several firms in the first township applied to the board to have repairs made to the San Bruno road from Blanken's to the Pacific Bone and Fertilizer Company's works. Referred to the supervisor of First township.

Owing to the death of W. B. Gilbert, the Estana Bonding Company asked to be relieved on his bond as surveyor. On motion of Debenedetti seconded by MacBain the request was granted.

Justice of the Peace, McCormick of the fifth Township having furnished a new bond, the Empire Bonding Company asked to be relieved. The request was granted.

The Clerk was requested to advertise for bids for publishing the delinquent tax list.

The clerk was directed to communicate with the engineers who had been employed as road experts and request them to present their claims as their service was no longer needed.

This being the time set for opening bids, as advertised, for a franchise to furnish water to Halfmoon Bay and vicinity the Clerk was authorized to open bids. The only one presented was that of W. R. Bartley who offered \$5.00 for said franchise. W. W. Allen, representing the T. B. Potter Realty Company offered a protest. He did not object to the granting of the franchise, but presented the protest to protect his Company. He wanted all the rights preserved. He claimed that water might be refused the property under the Company's control. On motion of Debenedetti seconded by Blackburn the bid was accepted and the franchise granted.

A map of the Colony tract, Halfmoon Bay was received and same was accepted. The usual resolution dedicating the streets delineated upon said map to public use was adopted.

The District Attorney stated that in order to intelligently advertise for bids for the new Court House material on the old building should be segregated in order that contractors might make intelligent bids. MacBain was selected to do the work and authorized to employ as many men as was necessary to do the work. The Board agreed to meet Monday May 13th to advertise for bids.

No further business appearing the Board adjourned to Monday May 13th at 10 o'clock.

CAN'T BE SEPARATED
Some Redwood City Have Learned How
to Get Rid of Both
Backache and kidney ache are twin
brothers.
You can't separate them.
And you can't get rid of the backache
until you cure the kidney ache.
If the kidneys are well and strong,
the rest of the system is pretty sure to
be vigorous and healthy.
Doan's Kidney Pills make strong
healthy kidneys.
Captain N. Nason, retired, of 3528
Twenty-second street, San Francisco,
says:
I am not certain whether a fall I met with
some seven years ago was the primary cause
of my backache or not, but I noticed from
then on I was subject to attacks. Knowing
that my kidneys were the weaker, I at once
over excited it struck me if Doan's Kidney
Pills were for those organs alone they might
help me to tide over a rather severe attack of
backache, and I took them. They stopped
the aching. I will be pleased to recommend
Doan's Kidney Pills when opportunities pre-
sent themselves.
For sale by all dealers. Price 50 cents.

POINTED PARAGRAPHS.
Remember that the money you
squander won't work for you.
We are always too young to have
known better if our mothers are the
judges.
Men do a lot of things just as fool-
ish as having their clothes button in
the back.
Dreaming of what you would do if
you had a large income is probably
about the slowest way to get one.
The man who falls in his efforts to
do something well is still more of a
success than the one who never tries.
A mother worries if her daughters
are not invited to parties and then sits
up and worries because they are out
late when they are invited.
Ever occur to you that you ought to
dress up more and brush your clothes
often? Most people as they become
old neglect their personal appearance
too much.—Athens Glob.

Jury Friendships.
"The eleven men in the world for
whom I entertain a feeling of peculiar
friendliness are those with whom I
served on a jury once," said a broker.
"There isn't any other human tie just
like that existing among jurors in a
criminal case. These are, twelve
men, all different tastes, tempera-
ments and habits, picked up and bound
together for days in the most trying
circumstances. The hardships, the
tragic phases of the situation, reveal us
in a new light. Hitherto unsuspected
traits crop out. We argue, we quar-
rel, we sympathize, we make up, in a
manner that would surprise our closest
friends. The responsibility that we
share sets up a rapport from everybody
else and establishes a bond of interest
and sympathy that is pretty sure to
last."—New York Sun.

A Plea For the Indolent.
Men who fill unaccustomed positions
exact severe mental toll are almost
sure to be short lived. Persons whose
callings subject them to a heavy nerv-
ous strain ought occasionally to spend
a day or two in bed. Even an after-
noon nap is a tonic and may do much
to lessen the wear and tear of nervous,
anxious days. One of the ablest state-
men of modern times, when once re-
proached in early life for indolence, re-
ported, "I am storing energy."—Will-
iam Matthews in Success Magazine.

The Angel Face.
"He said I had a face like one of
Raphael's angels," said the blond, with
ill concealed satisfaction.
"Oh, well, the faces of Raphael's an-
gels were all painted, you know," re-
plied the jealous little brunette.—Chi-
cago Record-Herald.

Chippendale.
Chippendale not only made chairs,
but almost everything in the furniture
line, except the one article with which
his name has been most frequently as-
sociated in later days. We refer to
sideboards. It is doubtful if he ever
made a sideboard. In his book there
is no reference to sideboards, though
there are several large tables which
he calls "sideboard tables." Though
the word sideboard was used long be-
fore his day, it is probable that the
early English sideboards were merely
tables.

The Samian Letter.
The letter Y is called the Samian let-
ter. It is so called because its Greek
original was referred to by Pythagoras,
the philosopher of Samos, to illustrate
how devotion from the straight path
of virtue becomes constantly wider as
the lines are extended. The poet Pope
refers to this idea in the lines:
When reason doubts, like the Samian
Points him two ways, the narrower way
is better.
—Housekeeper.

His Bluff.
Watchman (discovering a burglar in
the act of opening a bank safe)—Hold
on! What are you doing there? Bur-
glar—Don't make such a row, old man.
I want to see if my deposit is all right.
Nobody can trust his bankers now-
adays.—London Express.

The safest way of not being very
miserable is not to expect to be very
happy.—Schopenhauer.
